

For over 40 years, the Society of Hispanic Professional Engineers (SHPE) has been changing lives by empowering the Hispanic community to realize its fullest potential and impact the world through STEM awareness, access, support and development.

SHPE needs YOU! In order to continue our efforts in local and national initiatives we need individuals like yourself to invest your time, talent, and financially.

Please use the contact information below if you have any questions!

### Hispanic Excellence in Education and Career Development

## SHPE Detroit Mission

Changing lives in Detroit by inspiring and motivating young Hispanic students to achieve education excellence in STEM fields through mentoring and community presence; as well as to enhance career opportunities for Hispanics by providing a strong professional network.

## SHPE Vision

SHPE's vision is a world where Hispanics are highly valued and influential as the leading innovators, scientists, mathematicians, and engineers.

## SHPE for the Student

As the source for students, SHPE opens up a world of opportunity. Scholarships, leadership development, internship and job connections, community outreach, mentoring, networking — all are benefits provided by SHPE to student members. In a competitive, global environment, SHPE student members are ready for success when they graduate.

## SHPE for the Professional

Professional members will have opportunities to network with colleagues and corporate partners, give back to our communities, and access to endless resources to find greater successes in their careers and beyond from the local to the National level.

## Membership Costs

*Recent graduate:* Complimentary for 1 year for persons who have graduated within the last 6 months and qualify for regular membership.

*Professional Member:* \$65 annually  
Individuals with an engineering certificate or bachelor's degree in any STEM related field. Join the national and local chapter.

*Associate Member:* \$55 annually  
Individual who believes and supports the SHPE mission.

## SHPE Detroit Programs

SHPE Detroit works towards the following initiatives:

*Professional Development:* Develop professional development workshops, host networking events, and connect our members to mentors within SHPE.

*Latinas in STEM:* Empower Latinas in STEM by developing leadership and technical skills to overcome obstacles.

*Youth Outreach:* Host events to empower the community, from Noche de Ciencias events aimed to introduce the youth to STEM to preparing college students to enter the workforce.
